

With Greetings

Greetings with stamps - a booklet of five was designed for people sending different kinds of greetings, congratulations and invitations. One of the booklet's stamps depicts a gift parcel and tulips, the theme of the second stamp is a layer cake, the third stamp bears flowers, the fourth features a coffee cup and a letter, and the fifth has a messenger pigeon.

The booklet also includes five letter-sealing stamps bearing the legends:

Tervetuloa (Welcome), Kiitos (Thanks),

Onnea (Good luck),

Hei (Hello)

and Terveisin (With Greetings).

The booklet and stamps were drawn by a Dutch-born designer resident in Finland, Vincent Bakkum.
